

NEW WATER METER INSTALLATION

If you are applying for the installation of a new water meter for new water service, the City of Taylorsville requires that you present the following documentation and payment:

1. A **Plumbing Construction Permit** from the Plumbing Inspector.
2. An **Address** from Planning & Zoning
3. Your **payment**.

The cost for a new water service is \$1300; (\$1200 for the meter and \$100 for a deposit required for all new services.) A signed easement may also be necessary if applicable. **Residents on city sewer must also pay a \$750 sewer tap fee, and an infrastructure sewer impact fee of \$3000 per service, if applicable.**

METER COST BY SIZE:

5/8" METER - \$1,200.00
1" METER - \$1,800.00
1 ½" METER - \$4,000.00
2" METER - \$5,000.00
4" OR LARGER COST AND MATERIAL

*WATER SERVICES OF 1" OR LARGER MAY BE SUBJECT TO APPROVAL BY THE CITY COMMISSION.

EXISTING WATER SERVICE

If you have an existing water meter and service that needs to be put in your name, the City of Taylorsville requires that you present the following documentation and payment:

1. The **address**
2. **\$100** for a deposit and **\$30** for an activation fee.

BILLING

Your water bill may show the following items on it: Water charges, Sewer Charges, School tax, Garbage Fees- if you live within the City limits, and a Surcharge if you live in areas designated as a Phase I, Phase II or Phase III extension project. Sales Tax is also charged to commercial and rental accounts.

The City offers a one-time 25% discount on your water bill if you have had a leak and you bring in documentation of having it fixed. Please contact city hall for further information if needed.

PLEASE BE ADVISED TO READ THE CITY OF TAYLORSVILLE STANDARD POLICY WATER RULES, REGULATIONS AND GUIDELINES AT THE LINK BELOW:
